Specifications and colourations are subject to manufacturing tolerances. As part of the Godfrey Hirst continuous improvement program, Godfrey Hirst reserves the right to change the specifications of or delete colours of this product without notice. While all care is taken, product images may vary in colour due to possible printing process variations. Images do not seek to duplicate the exact visual appearance, but serve merely as a guide or point of reference.

Aquila Wood

Aquila Wood from Godfrey Hirst combines the **warmth and character of timber-inspired design with the everyday practicality of vinyl plank flooring**. Featuring a contemporary oak-inspired palette alongside Australian species designs, it offers a versatile foundation for a wide range of interior styles.

The generous plank format creates a sense of flow across the floor, while the embossed surface and micro bevel edges enhance the realistic timber appearance. A carefully considered selection of colours provides options ranging from warm, natural tones to more contemporary looks, making it easy to create a space that feels inviting and considered.

Designed for everyday living, Aquila Wood is waterproof and easy to maintain, with a scratch and slip resistant protective coating providing added confidence in busy areas of the home. The direct stick installation method delivers a secure, professional-looking finish, and reliable long-term performance. **Aquila Wood offers a thoughtful balance of style, practicality and performance**.

Technical Data

Type:	Vinyl Plank Flooring
Total Product Thickness:	4.5mm
Units Per Box:	6
m² per pallet:	144.16
Country of Origin:	South Korea
Surface:	Embossed
Coating System:	Scratch & Slip Resistant

Dimensions:	1505mm x 235mm
Wear Layer:	0.55mm
m² per box:	2.12
Colours:	12
Finish:	Matte
Profile:	Micro Bevel
Installation Method:	Direct Stick

Performance

Dimensional Stability:	(ISO 23999) Length: 0.05%, Width: 0.05%, Curling: 0.00%
Abrasion Rating:	(EN 660-2) Group T
Light Fastness:	(EN ISO 105-B02) 6-7
