Apollo Stone

Apollo Stone from Godfrey Hirst combines** the timeless appeal of natural stone with the practicality of advanced hybrid flooring technology**. Designed to capture the character and texture of stone, slate and tile, this versatile range offers a sophisticated foundation for modern interiors without the complexity of traditional hard surface flooring.

Available in a curated selection of contemporary stone-inspired designs, Apollo Stone brings depth, texture and visual interest to a variety of spaces. **The embossed matte finish enhances the authentic look and feel of natural materials**, while the large-format plank design creates a clean, modern aesthetic that complements both contemporary and classic interiors.

Built with advanced Trigon® Core Technology, Apollo Stone delivers exceptional durability, stability and waterproof performance. Its scratch-resistant PUR coating helps maintain the floor's appearance over time, while the waterproof construction provides confidence throughout the home. Unlike traditional stone or tile, there is no need for sealing, and the Uniclic® installation system allows for fast, efficient installation, so your new floor can be enjoyed sooner. Green Building Council of Australia compliant for VOC emission standards and certified under the Environmental Certification Scheme (ECS), Apollo Stone contributes to a more comfortable home environment and is backed by a 25 Year Hybrid Limited Residential Warranty*, offering **a stylish flooring solution that combines contemporary design with everyday practicality**.

Technical Data

Type:	Hybrid Flooring
Total Product Thickness:	6.5mm
Units Per Box:	9 boards
m² per pallet:	112.8
Finish:	Matte
Top Layer:	Decorative Film & Wear Layer
Backing Layer:	1.5mm Acoustic Backing
Coating System:	PUR & Scratch Resistance

Dimensions:	915mm x 228mm
Wear Layer:	0.5mm
m² per box:	1.88
Colours:	10
Surface:	Embossed
Substrate Layer:	Trigon® Core Technology (Limestone Composite)
Profile:	Micro Bevel
Installation Method:	Uniclic®

Performance

Dimensional Stability:	(ISO 23999) Length: 0.05%, Width: -0.00%, Curling: 0.00%
Impact Sound Reduction:	Please refer to Godfrey Hirst Acoustic Performance specification sheet
Light Reflectance Values:	Available on Request
Smoke Value:	(EN ISO 9239) 81% minutes
Warranty:	25 Year Hybrid Limited Residential Warranty*

Abrasion Rating:	(EN 660-2) Group T
Light Fastness:	(EN ISO 105-B02) Above 6
Flammability:	(EN ISO 9239) CRF 10.9kW/m2
Slip Resistance:	(AS 4586) P3

Sustainability

Accreditation:	Manufactured under a quality and environmental system certified and complying with ISO 9001 and ISO 14001 by an accredited certification body.
Indoor Air Quality:	Green Building Council Compliant for VOC emission rate limits
