Albertine Pro

Albertine Pro from Godfrey Hirst brings simple, **contemporary style together with dependable everyday performance**. Its subtle surface detail and natural, easy-going aesthetic create a calm foundation that complements a wide range of interior styles without overwhelming the space.

Designed for both residential and more demanding environments, Albertine Pro offers durable performance for areas where flooring needs to stand up to everyday use. Its **comfortable underfoot feel adds a sense of ease, while the easy-care surface keeps maintenance simple and practical**.

The clean, versatile appearance of vinyl sheet flooring creates a cohesive look across the space, making Albertine Pro an adaptable choice for a variety of interiors. Combining understated design with reliable performance and everyday practicality, it is** a smart foundation for spaces designed to be lived in**.
