Specifications and colourations are subject to manufacturing tolerances. As part of the Godfrey Hirst continuous improvement program, Godfrey Hirst reserves the right to change the specifications of or delete colours of this product without notice. While all care is taken, product images may vary in colour due to possible printing process variations. Images do not seek to duplicate the exact visual appearance, but serve merely as a guide or point of reference.

Regent 1500

Regent 1500 from Godfrey Hirst is a versatile vinyl plank flooring range **designed to combine the natural appeal of timber with the practicality of modern vinyl construction**. Featuring a carefully curated palette of warm, contemporary tones, it provides a stylish and welcoming foundation suited to a wide range of interior styles.

Available in two formats, Regent allows you to tailor the look and scale of your space. Regent 1500 features a longer, slightly thicker plank that enhances flow and creates a more expansive, seamless appearance across larger areas. In contrast, Regent 1200 offers a shorter plank format, providing a more compact and versatile layout option, while maintaining the same colour palette and design consistency across the range.

The **embossed surface texture and matte finish enhance the realism of each plank**, while the clean square edge profile delivers a modern, streamlined aesthetic. Whether selecting the elongated proportions of Regent 1500 or the more compact format of Regent 1200, both options are designed to suit contemporary interiors with ease. Built for everyday living, Regent delivers waterproof performance and a durable PUR protective coating that helps resist scratches, stains and general wear. Its resilient construction ensures long-term performance, while the direct stick installation method provides a secure, professional finish suitable for both renovations and new builds.

Technical Data

Type:	Vinyl Plank Flooring
Total Product Thickness:	4.5mm
Units Per Box:	10 boards
m² per pallet:	135.5
Country of Origin:	South Korea
Surface:	Embossed
Coating System:	PUR

Dimensions:	1524mm x 178mm
Wear Layer:	0.5mm
m² per box:	2.71
Colours:	12
Finish:	Matte
Profile:	Square Edge
Installation Method:	Direct Stick

Performance

Dimensional Stability:	(ISO 23999) Length: 0.05%, Width: 0.05%, Curling: 0.00%
Abrasion Rating:	(EN 660-2) Group T
Light Fastness:	(EN ISO 105-B02) 6-7
Flammability:	(EN ISO 9239) CRF 7.2kW/m2
Slip Resistance:	(AS 4586) P3

Thermal Conductivity:	TBA
Impact Sound Reduction:	Please refer to Godfrey Hirst Acoustic Performance specification sheet
