Chateau Oak

Bring timeless elegance into your home with Chateau Oak by Godfrey Hirst, **a premium engineered timber floor designed to celebrate the natural beauty of European Oak**. Featuring a luxurious 3.2mm European Oak veneer, each board showcases authentic knots, grain variation and organic character, creating a floor that feels both refined and uniquely individual.

Updated with a refreshed palette of sophisticated colours, Chateau Oak offers a versatile collection of timeless selections suited to contemporary, classic and coastal-inspired interiors alike. **The matte finish enhances the natural appearance of the timber**, allowing the beauty of the oak to take centre stage while creating a warm and inviting foundation throughout the home.

At the heart of Chateau Oak is an innovative tri-layer construction featuring a 100% cross laminated oak core. Designed using a whole-tree approach to engineered timber, this advanced construction delivers outstanding stability and performance while maximising the natural value of the timber resource. Protected by a durable UV cured lacquer coating and featuring a convenient 5G Insta Clic® installation system, Chateau Oak is built to retain its beauty for years to come. Backed by a 25 Year Timber Limited Residential Warranty*, it offers **a premium flooring solution that combines authentic European Oak character, innovative construction and enduring style**.
