Specifications and colourations are subject to manufacturing tolerances. As part of the Godfrey Hirst continuous improvement program, Godfrey Hirst reserves the right to change the specifications of or delete colours of this product without notice. While all care is taken, product images may vary in colour due to possible printing process variations. Images do not seek to duplicate the exact visual appearance, but serve merely as a guide or point of reference.

Olympus Neo

Olympus Neo from Godfrey Hirst brings the **warmth and character of timber-inspired design into a practical vinyl plank format**. Inspired by classic décors, the range offers a versatile foundation for interiors ranging from contemporary and relaxed to more traditional spaces.

The plank format provides a familiar, versatile layout, while the **embossed surface and matte finish add depth and enhance the realistic appearance of each design**. A micro bevel edge completes the look with a subtle, refined detail. Select colours are also available in a parquetry format through Olympus Parquet, allowing you to create a coordinated look with a more decorative floor pattern.

Designed for everyday living, Olympus Neo features a durable protective surface that helps resist scratches and stains, making it easy to maintain in busy areas of the home. Its direct stick installation method provides a secure, professional-looking finish, while the resilient vinyl construction delivers dependable everyday performance. With a 25 Year Vinyl Plank Limited Residential Warranty*, **Olympus Neo combines timeless style with practical performance for easy-living interiors**.

Technical Data

Type:	Vinyl Plank Flooring
Total Product Thickness:	2.5mm
Units Per Box:	15
m² per pallet:	252.75
Finish:	Matte
Profile:	Micro Bevel
Installation Method:	Direct Stick

Dimensions:	1219mm x 184mm
Wear Layer:	0.5mm
m² per box:	3.37
Colours:	12
Surface:	Embossed
Coating System:	PUR + Scratch Resist + Stain Resist

Performance

Dimensional Stability:	(ISO 23999) Length: 0.05%, Width: 0.05%, Curling: 0.00%
Abrasion Rating:	(EN 660-2) Group T
Light Fastness:	(EN ISO 105-B02) ≥6
Flammability:	(EN ISO 9239) CRF 10.7kW/m2
