Corsica Herringbone

Bring an air of enduring beauty into your home with Corsica Herringbone by Godfrey Hirst, **a premium timber floor that combines the authentic character of real European Oak with one of the most iconic flooring patterns in interior design**. Crafted with a genuine French Oak veneer, each board showcases the natural grain variation, texture and warmth that make timber a timeless choice for sophisticated living spaces.

The elegant herringbone layout creates visual interest and a sense of craftsmanship, adding depth, movement and refinement to any room. Available in a curated selection of classic colours, Corsica Herringbone provides a versatile foundation that complements a wide range of interior styles, from contemporary and coastal homes to more traditional settings. **The matte finish and subtle brushed texture further enhance the natural beauty of the timber**, creating a look that feels both luxurious and effortlessly timeless.

Constructed with a durable multi-layer design and protected by a UV cured lacquer coating, Corsica Herringbone is designed to maintain its beautiful appearance for years to come. Its tongue and groove installation system supports precise installation, while PEFC Chain of Custody certification reflects a commitment to responsibly sourced timber. Corsica Herringbone also contributes to a more comfortable home environment through low VOC emissions and is backed by a 25 Year Timber Limited Residential Warranty*, offering **a premium flooring solution that combines authentic natural beauty, craftsmanship and lasting performance**.
