Metropol Oak

Metropol Oak from Godfrey Hirst is **a versatile waterproof hybrid floor that combines the natural beauty of timber with the strength and practicality of modern flooring technology**. Available in a range of natural timber-inspired colours, it delivers a warm and welcoming foundation suitable for a wide variety of interior styles.

Featuring an embossed-in-register surface, matte finish and refined micro bevel edges, Metropol Oak **authentically replicates the look and texture of real timber**. The detailed grain structure enhances its natural appearance, creating depth and character across each plank while maintaining a clean, contemporary aesthetic.

Built with advanced Trigon® Core Technology, Metropol Oak offers **exceptional stability, durability and waterproof performance**. The ceramic bead protective coating enhances surface resistance, helping the floor withstand everyday wear while maintaining its refined appearance over time. The Uniclic® installation system allows for efficient and straightforward installation, making it a practical choice for both renovation and new build projects.

Green Building Council of Australia compliant for VOC emission standards and backed by a 25 Year Hybrid Limited Residential Warranty*, Metropol Oak delivers **a flooring solution that combines authentic timber aesthetics with dependable, modern performance**.
