Specifications and colourations are subject to manufacturing tolerances. As part of the Godfrey Hirst continuous improvement program, Godfrey Hirst reserves the right to change the specifications of or delete colours of this product without notice. While all care is taken, product images may vary in colour due to possible printing process variations. Images do not seek to duplicate the exact visual appearance, but serve merely as a guide or point of reference.

Polaris 1500

Polaris 1500 from Godfrey Hirst brings the** look and character of natural timber together with the practical benefits of modern vinyl flooring**. Available in a versatile palette including Australian species designs, the range offers a timeless foundation for a variety of interior styles, from classic and traditional to contemporary.

Available in two formats, Polaris allows you to tailor the look and scale of your space. **Polaris 1500 features a longer, thicker plank that creates a more expansive feel and enhanced visual flow across larger areas**, while Polaris 1200 offers a shorter plank format for a more compact and versatile layout. Both formats share the same colour palette, making it easy to create a cohesive look throughout the home.

The embossed surface and matte finish enhance the realistic timber-inspired appearance, while the clean square edge profile delivers a streamlined, contemporary finish. **Designed for everyday living, Polaris is waterproof, durable and easy to maintain**, with a PUR protective coating providing added surface protection. The direct stick installation method delivers a secure, professional-looking finish for renovations and new builds.
