Belle Grande

Belle Grande from Godfrey Hirst is **designed to elevate interior spaces through its impressive scale and refined aesthetic**. With extra-wide 240mm planks and an extended 2050mm length, it creates a sense of openness and flow, making it an ideal choice for contemporary interiors seeking a sophisticated, architectural feel.

The **embossed surface and matte finish enhance the visual realism of each plank, while the subtle grain detailing and four-sided bevel edges contribute to a clean, structured appearance**. Inspired by natural timber tones, Belle Grande offers a versatile palette that complements a wide range of interior styles.

Constructed with a durable high-density fibreboard core, Belle Grande delivers reliable performance for everyday living, combining water-resistant properties with the practicality of laminate flooring. The Uniclic® installation system ensures efficient fitting, making it suitable for both renovation and new build projects. Green Building Council of Australia compliant for VOC emission standards and backed by a 20 Year Laminate Limited Residential Warranty*, Belle Grande **combines refined design with practical durability, offering a stylish and accessible flooring solution for modern homes**.
