Olympus Parquet

Olympus Parquet from Godfrey Hirst brings the **elegance and character of traditional parquetry** into a practical vinyl plank format. Featuring intricate wood-inspired designs, the range creates a distinctive foundation for interiors where pattern, detail and personality take centre stage.

The plank format is designed in a parquetry style, creating intricate floor patterns that add visual interest and a sense of craftsmanship to the space. **An embossed surface and matte finish enhance the authentic appearance of each design**, while the micro bevel edge provides a refined finishing detail.

Designed for everyday living, Olympus Parquet features a durable protective surface that helps resist scratches and stains, making it easy to maintain in busy areas of the home. Its direct stick installation method provides a secure, professional-looking finish, while the resilient vinyl construction delivers dependable everyday performance. All Olympus Parquet colours are also available in the standard plank format through Olympus Neo, making it easy to create a coordinated look across different spaces. With a 25 Year Vinyl Plank Limited Residential Warranty*, **Olympus Parquet combines statement-making style with practical everyday performance**.
