Apollo Hardwood

Apollo Hardwood from Godfrey Hirst captures **the natural beauty of Australia's most celebrated timber species in a durable and practical hybrid flooring solution**. Inspired by the distinctive character of Blackbutt and Spotted Gum, this stylish range delivers an authentic Australian aesthetic with the performance benefits of advanced hybrid flooring technology.

Built with advanced Trigon® Core Technology, Apollo Hardwood **combines strength, stability and waterproof performance in a highly durable hybrid construction**. The embossed matte finish enhances the realistic timber appearance, while the protective PUR coating helps maintain the floor's beauty over time. Its Unipush® tap fold-down installation system supports efficient installation, making it an ideal choice for both renovations and new homes.

Global GreenTag GreenRate Level A certification, Environmental Certification Scheme (ECS) certification and low VOC emissions demonstrate a commitment to responsible product performance and indoor comfort. Backed by a 25 Year Hybrid Limited Residential Warranty*, Apollo Hardwood offers** a flooring solution that combines authentic Australian timber style with the durability and practicality of modern hybrid technology**.
