Pebble Grid 4M

Bring structure, balance and understated elegance into your home with Pebble Grid 4M from Hycraft by Godfrey Hirst, a premium wool carpet designed for refined contemporary interiors. **Its distinctive latticed loop pile pattern creates a subtle geometric rhythm underfoot**, drawing the eye while also enhancing the sense of space, making it a stylish choice for open and considered interiors. Inspired by natural landscapes, the collection's neutral natural stone inspired tones create a calm and enduring foundation for interior spaces.

Crafted from 100% wool, Pebble Grid 4M offers the natural comfort and performance that wool is renowned for. Naturally insulating, wool helps maintain warmth in cooler months while supporting a comfortable atmosphere year-round, creating a home that feels calm, balanced and inviting in every season. Its curated palette of modern neutrals is inspired by natural geological elements such as sandstone and granite, offering a timeless foundation for layered interior design. With an ACCS Residential Extra Heavy Duty 5 Star rating, Pebble Grid 4M delivers reliable durability suited to everyday living while maintaining its refined textured appearance over time. Pebble Grid 4M is also fire rated, officially approved Declare® LBC Red List Free and Green Building Council of Australia compliant for VOC emission standards, offering **a premium flooring choice that combines natural luxury, durability and architectural style**.
