Regency Twist

Bring elevated natural comfort into your home with Regency Twist from Godfrey Hirst,** a premium 100% wool cut pile twist carpet designed for elegant everyday living**. Its plush textured finish creates a warm and inviting feel underfoot, while its timeless design and stylish colour palette adds depth and sophistication to interior spaces.

Crafted from natural wool, Regency Twist offers inherent comfort and performance, helping to create a balanced and welcoming home environment throughout the year. **Wool's natural insulating properties support warmth in cooler months and comfort in warmer conditions, enhancing the liveability of your space**. With an ACCS Residential Extra Heavy Duty 6 Star rating, it delivers outstanding performance suited to high traffic areas and stairs while maintaining its refined appearance. Fire rated performance provides added reassurance, while its premium natural fibre construction supports long lasting comfort and style. Regency Twist is also officially approved Declare® LBC Red List Free and Green Building Council of Australia compliant for VOC emission standards, offering** a premium flooring choice that combines natural beauty, comfort and enduring quality**.

All Godfrey Hirst carpets must be installed in accordance with the latest AS2455 and any relevant Godfrey Hirst Installation Instructions. ~Test results and certificates are available on request.
*This product comes with a manufacturer's warranty for new carpet installed indoors in owner occupied premises, if properly installed and maintained. This warranty is in addition to consumers' rights under the statutory consumer warranty provisions in the Australian Consumer Law, which may exceed the rights under this Warranty. The amount recoverable under the warranty decreases after five years. For full information in respect to the scope and limitations of this warranty, please refer to the full terms and conditions available from your retailer, by calling 1300 444 778, or by downloading from www.godfreyhirst.com.
