Modern Coastal

Experience the perfect fusion of contemporary design and authentic Australian timber with Modern Coastal, a premium engineered timber floor from Godfrey Hirst. Showcasing the enduring beauty of Blackbutt, Spotted Gum and Tasmanian Oak, this sophisticated range delivers **a fresh, modern interpretation of Australia's most popular timber species while retaining their distinctive natural character**.

What sets Modern Coastal apart is its innovative Colour Toning Process, where a unique reactive stain interacts with the timber's natural tannins to create beautifully soft, subdued tones. This advanced technique transforms traditional Australian species into **a refined palette offering a calming and sophisticated foundation for modern homes**.

Crafted with a genuine Australian species timber veneer and finished with a durable UV cured lacquer coating, Modern Coastal is designed to deliver lasting beauty and everyday performance. The matte finish enhances the timber's natural grain and character, while the 5G Insta Clic® installation system supports efficient installation. Green Building Council of Australia compliant for VOC emission standards, Modern Coastal contributes to a more comfortable home environment and is backed by a 25 Year Timber Limited Residential Warranty*, providing** a premium flooring solution that combines innovative design, authentic Australian character and enduring quality**.
